Thank you Madame Speaker for moving forward with Articles of Impeachment. Every good Democrat knows that Articles of Impeachment of Donald Trump in the House of Representatives is inevitable due to three overwhelming facts.

1. Donald Trump abused the power given to the President of the United States.
2. Donald Trump abused his power for personal gain.
3. Donald Trump abused Public Trust.

Donald Trump when sworn in as President of the United States, raised his right hand and swore to defend and protect the Constitution of the United States of America. His left hand must have been burning on that Bible!

We must hold this President accountable, Madame Speaker no one is above the law!

The Pomona Valley Democratic Club supports you and the Congressional Democratic Caucus for your hard work, thank you and god bless.
