

Pomona Valley Democratic Club

04/20/2021

The Pomona Valley Democratic Club wholeheartedly endorses Carlos Goytia for Secretary for California Democratic Party Progressive Caucus. In addition, we endorse the P4P slate in its entirety.

It is our sense, as a club, that this slate best represents progressive values and will be the most effective at advancing progressive goals and policies within the Democratic Party.

The members of the P4P Slate have worked tirelessly over the years to make equity and justice part of the discourse within the party and the state. They have long been champions and advocates for those values, and therefore we choose to stand behind them.

We encourage you join us in voting for P4P Slate.

In solidarity,

Guillermo Gonzalez
